

## Immediate Part-Time Support Professionals Needed

---

*United Cerebral Palsy of Northern, Central and Southern New Jersey (UCP-NCSNJ) has immediate openings for part-time Support Professionals in several program areas. UCP-NCSNJ provides services for persons with developmental disabilities and their families.*

### **RECREATION SERVICES.**

LOCATION: Bridgewater, New Jersey  
STATUS: Part-time (potential for future full-time)  
DESCRIPTION: Openings available for motivated, energetic individuals looking to make a difference in the lives of people with disabilities. Our unique REC program provides participants with the opportunity to socialize and interact in an exciting, people-centered environment. Team members will be expected to assist in event coordination, provide support during weekly activities, attend community-based excursions, and will occasionally be called upon to assist participants with activities of daily living. Must be available to work Saturdays. Training provided.

### **RESPIRE SERVICES.**

LOCATION: Varies, throughout Northern and Central New Jersey  
STATUS: Part-time  
DESCRIPTION: Motivated, energetic staff to work with individuals in community settings including hotels, restaurants, recreational, social and cultural establishments and events. Our weekend and week-long Respite programs provide participants with personal assistance, socializing opportunities, and leisure activities away from their families and/or primary caregivers. Team members are required to assist in supervision of participants, transport to activities in the community, staff community-based excursions, and assist participants where needed with activities of daily living. Shifts are available on weekdays, weekends, and overnights.
